

# MIRACLE FOUNDATION

**Our vision:** **Empowering Orphans and Vulnerable Children to Reach Their Full Potential**

**Our mission:** Supporting orphans to have a better quality of life while bringing about sustainable change that reduces the need for orphanages.

**Our work:** For the past 20 years, Miracle Foundation has improved the lives of more than 15,000 children and impacted almost 300 orphanages. Our proven Thrive Scale™ Methodology is based on the UN Rights of the Child and leverages data and technology to ensure that orphaned and vulnerable children reach their full potential.

Miracle Foundation is part of a global network of non-profit organizations leading the worldwide movement to end the need for orphanages by 2040.

**Our impact:**

- 15,000+ children's lives improved
- 2300+ government workers and childcare providers trained
- 20% of children we've worked with are reunited with family
- 47% increase in Thrive Scale™ scores with children we directly support
- Implemented our Thrive Scale™ Methodology in close to 300 orphanages

**Our core initiatives:** Our work in the past was grounded in helping orphans to have a better quality of life but has evolved to also ensure that every child has an opportunity to grow up in a family.

In order to achieve this, **our core initiatives** are to:

**Prevent children from entering the system in the first place.**

Every day around the world, social workers, caregivers and government officials make decisions that impact millions of vulnerable children. Partnering with UNICEF, we provide highly specialized training and educational resources for these “boots on the ground” workers in the childcare ecosystem.

Through this collaboration, Miracle Foundation has trained 2300+ government officials and caregivers and partnered with community programs that identify and support at-risk children and vulnerable families long before child placement in an orphanage becomes a necessity.

**Ensure that every child thrives.**

All children are entitled to an education, nutrition, health and protection. Over the past twenty years, we have developed the proprietary Thrive Scale™ Methodology, based on the UN Rights of the Child and using this we are currently working with close to 300 orphanages to improve the lives of more than 15,000 children.

The orphanages we directly support see a 47% increase in Thrive Scale™ scores and a 20% reunification of children with their families.
